Dear Sir
Dear Madam ,

I thank for your letter,your mail (or phone call) . I send you herewith full details regarding our campsite .

We register with pleasure all campers that come to our office as long as we have room for them . For the high season we advise families to book a pitch beforehand . They can fill a booking form and send 75€ deductible from the price of the stay . We recommend families to send this sum by **credit card** or **cash**.

A confirmation of the booking will be sent to families .

Yours faithfully .
Family Jacq .
